

# 5<sup>th</sup> Grade Math Readiness Workshop

with Mrs. Green, 5<sup>th</sup> grade math teacher

**Who:** Current 4<sup>th</sup> Grade Students

**What:** Practice and review are essential for building and maintaining math skills. During summer vacation, unpracticed math skills can get rusty or forgotten. This workshop will provide your math brain the exercise it deserves, preparing you for success in 5<sup>th</sup> grade. Summer is also a great opportunity to relearn and strengthen any challenging concepts from 4<sup>th</sup> grade.

In this workshop, you will get to know Mrs. Green and have some fun while strengthening and practicing the math skills that are essential for success in 5<sup>th</sup> grade. This opportunity is only available to the first 10 students to register, allowing maximum support for each child.

**When:** August 4<sup>th</sup>-8<sup>th</sup>, 8:30 -9:30 AM

**Where:** St. Ignatius 6<sup>th</sup> grade classroom

**Cost:** \$100

**How:** Submit the attached registration form and payment to Mrs. Green in the 6<sup>th</sup> grade classroom or school office. Spots will be reserved for the first 10 paid registrations. This payment is non-refundable.
