

6th Grade Math Readiness Workshop

with Mrs. Green, 6th grade math teacher

Who: Current 5th Grade Students

What: Practice and review are essential for building and maintaining math skills. During summer vacation, unpracticed math skills can get rusty or forgotten. This workshop will provide your math brain the exercise it deserves, preparing you for success in 6th grade. Summer is also a great opportunity to relearn and strengthen any challenging concepts from 5th grade.

In this workshop, you will get to have some fun while strengthening and practicing the math skills that are essential for success in 6th grade. This opportunity is only available to the first 10 students to register, allowing maximum support for each child.

When: August 4th-8th, 10:00 -11:00 AM

Where: St. Ignatius 6th grade classroom

Cost: \$100

How: Submit the attached registration form and payment to Mrs. Green in the 6th grade classroom or school office. Spots will be reserved for the first 10 paid registrations. This payment is non-refundable.

Contact tgreen@stignatiussac.org with any questions.
