

Dress for Funds

Hello,
I am Juliette Williams. My close friend, Natalie Woodruff (16), and I both graduated from St. Ignatius in 2013 and are now juniors attending St. Francis High School. St. Ignatius has been a huge part of our lives since the first grade. Sadly, Natalie was diagnosed with Non Hodgkin's Lymphoma in June of 2015, and underwent many chemotherapy treatments for several months. It saddened me to see one of my best friends battle such a dangerous disease. Fortunately, she was told in December of 2015 that she is cancer-free! Natalie's determination and courage inspired myself and countless others.

In honor of Natalie, St. Ignatius will have a dress for funds day on **May 12, 2016**.

Please bring 2 dollars and wear the color blue (Natalie's favorite color)!

all proceeds will be given to **Team CUREageous**: a team made up of high school students, who are raising money to help find a cure for cancer through an organization known as the Leukemia and Lymphoma Society.
