

It's time for...

Movie Day & Pajamas!

The Student Council is looking forward to transforming our classrooms into theaters on Friday, February 3rd. We will be showing different movies in each classroom. Students will be issued a ticket for the film of their choice. After morning recess, student ushers will escort the younger children to the correct "theater". Each child will receive a snack and a drink.

We have listed the movies to review with your child. Please help them with their selection and **return this form along with a \$3.00 admission fee** to your child's teacher no later than **Thursday, January 26th**.

Movie Day is also **Pajama Day!**

Wear some cozy, comfy PJs to school this day and enjoy being relaxed while you watch your movie. Make sure that your PJs follow all **free dress rules**.

We are very excited about our morning at the movies and know all of the students will be too! Thank you.

Sincerely,
The Student Council
