HISTORY

In the early 1950s, the Most Reverend Robert J. Armstrong, Bishop of the Diocese of Sacramento, realized that the once rural parishes of St. Philomene and Our Lady of the Assumption were overflowing with Catholic families. He reconfigured the area and created a new parish – St. Ignatius. The growth of Sacramento had stretched the ranks of the diocesan priests. Bishop Armstrong invited the Jesuit provincial to send priests to staff the new parish, build a school, and eventually build a Jesuit high school. In 1954, the provincial sent Father Fred Cosgrove, S.J., Prefect of Discipline at St. Ignatius High School in San Francisco, to be the first pastor. Father Joseph Keane, S.J., a former Navy chaplain, came as the assistant pastor. They set up housekeeping and business in a home on Berkshire Way – the first St. Ignatius Parish Rectory. A warehouse on the corner of Watt Avenue and Arden Way became the parish church on Sundays. On March 9, 1954, the first Mass of St. Ignatius Parish was celebrated with an altar borrowed from St. Mary's Cemetery and 200 metal folding chairs borrowed from St. Philomene Parish. This church was affectionately referred to as “the barn”.

The families of this new parish saw as their most urgent need a Catholic grammar school. Only blocks away from “the barn” was a vacant lot – 20 acres – called Bishop Armstrong Park. The bishop had envisioned a hospital on this site, but the order of Catholic brothers who were to staff the hospital considered the location “too far out of town” to be effective. The parishioners convinced the diocesan leaders that this was the perfect place for the new school. Without delay, \$130,000 was pledged and the school was constructed. Only a shortage of bricks delayed the opening from September to October of 1954.

The Sisters of the Holy Names staffed the school. The first wing housed the first, second, and third grades. The second wing was completed in 1955 - followed by the third wing in 1956. The front wing was constructed with portable interior walls, and it became the parish church each Sunday morning, replacing “the barn”. The first graduating class of thirty-six eighth graders received diplomas in June of 1958.

The parish experienced phenomenal growth during these first years. In 1959 the church building was completed and permanent walls replaced the portable classroom walls in the front wing of the school. St. Ignatius Parish School registered nearly 800 students in the fall of 1960. To accommodate the burgeoning population, two classrooms were set up for each grade, and each individual room was furnished for fifty students.

Over the next decade the enrollment declined as the demographics of the developing area changed. By the early 1970s, there was one classroom for each grade. And as Catholic schools were experiencing declining enrollment, religious orders were finding fewer vocations. Sister Dominica was teaching the first grade, Sister Juan Marie was in the fourth grade, and Sister Maleda Mary was the principal – and the rest of the staff members were from the laity. In October of 1974, the Superior of the Sisters of the Holy Names informed the pastor, Father Carroll Laubacher, S.J., that the order was consolidating and reassigning its members. The sisters would be leaving St. Ignatius at the end of that school year. That was an unfortunate but

common occurrence at the time. The Parent Club lobbied the Holy Names provincial to reconsider, but the decision had been made. Faced with this dilemma, many Catholic schools closed. But the parents of the St. Ignatius School community banded together - determined that the school would continue.

Under the guidance of Sister Maleda Mary, a committee was formed to oversee the establishment of a policy-making School Board and draw up a mission statement. The new School Board would be charged with keeping the school Catholic and keeping it affordable. Virginia Robinson was the president of the Parent Club and her husband, Noel, was the first member chosen for the School Board – to act as a liaison to the Parent Club. Vince Quilici was the president of that original board that included Sheilagh Neubuerger and Zip Keitges. A committee of the newly formed School Board was charged with hiring an administrator to take the community through the transitional period. This transition was a precedent-setting venture in the Sacramento Diocese – even in Northern California. Catholic schools in the Archdiocese of Chicago had faced this critical juncture already – and succeeded, and the St. Ignatius School Board looked to representatives from Chicago for guidance. And when St. Ignatius successfully negotiated the passage, the strategy was set for other diocesan schools faced with the same crisis.

In the fall of 1975, St. Ignatius School opened its doors with a new principal, Robert Teegarden, and a full staff of lay teachers that included Susannah Fusich in the first grade, Joyce Cullen in the third, and Catherine Peters in the eighth. Ann Flynn managed the office as the school secretary. The School Board formulated policy. To keep the tuition affordable, the Parent Club fund-raising was now a critical part of the school budget, no longer just for enrichment.

The Parent Club staged the first Family Faire in the fall of 1976, and it became an annual event for the next twenty years. Bob Teegarden strung parachutes between the classroom wings to give shade for the beer garden, and Jack Flynn manned the beer booth. The dunk tank featured Vince Quilici in a wig and his fishing gear, John Dougherty, in his coaching outfit, and Dick Ogan in a tuxedo. Pete Michaels was the clean-up crew. Jolene Todd's spaghetti dinner was always a favorite. Herb Mather did everything electrical and Larry Gage sold all the lucky slots. For the first several years the area chairmen of this event simply traded hats – the Parkers, McIntoshes, O'Reillys, Ogans, Dougherty's, Haleys, Quilicis, Kleins, Cullos. During its early years, the community gained strength supporting the school.

Since 1975, St. Ignatius School has prospered under the leadership of the School Board, lay administrators and teachers, and staff members – all dedicated to the cause and calling of Catholic education. Since its inception, St. Ignatius Parish School has sent more than 1700 graduates on to higher education and then out to make their marks on the world as priests, teachers, lawyers, physicians, business owners, writers, fire fighters, police officers, counselors, artists, volunteers, and parents in our own school community.

St. Ignatius School has come a long way from its beginning – as a dream in the hearts of the parish founders. It has kept pace with educational philosophy - and technology - and society. It has served its children well. It has served its families well. It lives on as a tribute to those who had the dream. And it has remained true to its mission – to provide an exemplary, affordable, Catholic education to its children.

In 2009 the school and the church leaders decided to move forward with a long-desired plan to open a preschool for the St. Ignatius Parish community. In doing this the Parish extended the

Catholic faith and Jesuit charism to its tiniest parishioners. St. Ignatius Parish Preschool joins the school in educating children in Faith, Action, Integrity, Thought, and Health

ACCEPTANCE OF STUDENT PARENT HANDBOOK AS CONTRACT

All students, along with their parent(s)/guardian(s), accept the provisions set forth in the current

Student-Parent Handbook as a condition of enrollment at St. Ignatius Parish School and agree, so far as they may be applicable and not at variance with any of the provisions of this contract, to comply with all school regulations. St. Ignatius Parish School reserves the right to amend the Student-Parent Handbook at any time should the need arise. Any policy statements published during the course of the school year are considered to be an addendum to the Student-Parent Handbook. The policies stated in the Student-Parent Handbook shall prevail should inconsistencies be found with the published policies of other St. Ignatius School publications.

CODE OF CONDUCT COVERING STUDENTS AND PARENTS/GUARDIANS ATTENDING CATHOLIC SCHOOLS 5750

Attendance at a Catholic school in the Diocese of Sacramento is a privilege, not a right. Parents who desire a quality Catholic, academic, and morally-based education for their children can best achieve this goal when the school's students, parents and officials work cooperatively together. Normally, differences can be resolved. In some instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child from the school.

Condition of Enrollment for Students

It is a condition of enrollment that every student behaves in a manner, both on and off campus, which is consistent with the philosophy and Christian principles of St. Ignatius Parish School. These principles include, but are not limited to, the policies, principles and procedures set forth in the student/parent handbook and contract.

Condition of Enrollment for Parents/Guardians

It is a condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the philosophy and Christian principles of St. Ignatius Parish School. These principles include, but are not limited to the policies, principles and procedures set forth in the student/parent handbook and contract.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the religious, academic, moral, and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
3. Parents/guardians and students may not establish personal web sites or participation in blogs containing material or connections to material contrary to the mission and philosophy of the Roman Catholic Diocese of Sacramento and St. Ignatius Parish School.
4. Parents are expected to work courteously and cooperatively with other parents of the school community. Difficulties in relationships must be addressed and resolved by the parties themselves. If it impacts the environment of the school, the principal has the authority to intervene and work on a solution.
5. These expectations for students and parents/guardians includes but are not limited to, all school-sponsored programs and events (e.g. extended care, license child care programs, athletics, field trips, etc).

St. Ignatius Parish School reserves the right to determine, in its discretion which actions fall short of meeting the philosophy and Christian principles of the school. Depending on the severity and circumstances of the event, failure to follow the school's philosophy and principles will normally result in verbal or written warning to the student and or parent/guardian. For

serious violations of the school's philosophy and principles, the school's response may result in disciplinary actions up to and including the requirement to withdraw from school (e.g. suspension of a student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.

St. Ignatius Parish School reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning.

The preschool standards of conduct are age appropriate, yet complementary to the St. Ignatius student/parent code of conducts.

2. For the 3 year old program students need to turn three by November 30th, 2013. For the 4 year old program, students need to turn 4 by November 30th, 2013.
3. All students must have independent bathroom skills*.
4. If a student has a particular need which cannot be met at St. Ignatius School, it may be recommended that the child be referred to a school where his/her needs can be met.
5. All new students are accepted on a probationary status for six weeks. This period of time is designed to ensure proper adjustment to school environment and curriculum
6. St. Ignatius School admits students without regard to race, color, nationality, or ethnic origin. It also does not discriminate on the basis of sex in its admission policies and employment practices.

* Our staff realizes that accidents happen from time to time. We also know that even a potty-trained student might be hesitant to use the bathroom facilities in the first few days and weeks of school. However, we are a preschool, not a daycare and all enrolled students must be potty-trained. Children will be given a grace period to adjust to the new environment as outlined in our Trial Period Policy.

Probationary Status

During the trial period, the parent and teacher will be assessing the child's health, well-being and behavior adjustments to our program. The St. Ignatius Parish Preschool trial period can last up to six weeks after your child's first day of school. The trial period length may vary from one student to the next depending on the nature of the issue being addressed, and is at the discretion of the leadership team. Director, teacher and parents will communicate weekly, as they are assessing for a good fit of child and program. If the parent or staff determines that the program is not a good fit for the child, the child will be disenrolled from the program. The registration fee will not be refunded; however tuition will be prorated and the unused portion refunded to the parent.

Causes for disenrollment include, but are not limited to:

- The child does not have independent bathroom skills.
- Parents/guardians failed to disclose or were unaware of their child's special needs which may or may not require an increase in staffing ratios
- The child is not adapting to the preschool environment and it is clearly not in the best interest of the child to continue in the program.

PRESCHOOL DISCIPLINE PHILOSOPHY AND POLICY

Philosophy

We consider discipline to be a part of the learning process and an opportunity to provide training in becoming a caring and compassionate person.

Negative behaviors will be treated as opportunities to instruct and increase social cognition (for both perpetrator and recipient). Children will be helped to identify their inappropriate behavior, the impact of their behavior on others (perspective talking), and what other options are available to them in those specific situations.

Policy

There will be no corporal punishment.

Repeated serious incidents (e.g. biting, unprovoked aggression) will be brought to the attention of the parents for discussion and resolution. A teacher will complete an incident report for biting, hitting, spitting, aggressive yelling and other such behaviors. The incident report will be given to the parent when the child is picked up from school that day. A copy of the report will be put in the child's file.

Our model is Jesus' sensitivity to the unique needs of those he encountered from all conditions. There is no absolute formula for dealing with behavior issues as they originate from many different causes. We seek to work with those whose behavior puts them at risk for future failure. We use time, patience and prayer, rather than a prescribed set of steps for resolution, as befits a religious community.

If you are concerned about your child or another in the program, please feel free to speak to your child's teacher. Remember, we are not at liberty to discuss another child's behavior with you. We share your concern about the quality of experience your child is receiving, at the same time hoping to minister to those Jesus sends us. This is what separates us from a business. We believe that Jesus has sent you to our program and we feel called to serve the children we are sent. We will be happy to discuss our approaches with you while safeguarding the confidentiality of the other students.

That being said, St Ignatius Parish Preschool reserves the right to disenroll a child from the program at any time for continuous misconduct, incompatibility with group activities, or interference with the education of other children. If your child is unable to continue in the program, we will attempt to make referrals to appropriate agencies that might better meet your needs and will refund any remaining tuition should disenrollment occur before the end of a payment period.

RELIGIOUS EDUCATION**Curriculum**

St. Ignatius Parish School follows the Religion content Standards of the Diocese of Sacramento. Religion is taught as a subject and it is part of the entire program.

Mass Attendance

Catholic parents of our school children are urged to attend Sunday Mass with their children. Children are taught that the Mass is the most important form of Catholic worship and are encouraged to participate actively in the Mass. Attending Mass as a family will reinforce this teaching. We encourage parents and families to participate in the Sunday liturgies as lectors, offertory gift carriers, servers, musicians, and greeters.

Daily Mass

First through eighth grade classes attend 8:00am Mass one morning a week.

Student Body Masses

During the year, on Holy Days of Obligation and on special occasions, students in TK – eighth grade attend special liturgies in the church. These Masses are scheduled on the

school calendar. Parents are always welcome and encouraged to celebrate the Eucharist with the school community.

Confessions

The Sacrament of Reconciliation, sometimes incorporated in a Penitential Service, will be scheduled for the students at regular intervals during the school year – usually during Lent and Advent. Students and parents are reminded to make this reconciliation a regular part of their sacramental life.

First Eucharist

The preparation for and reception of the Sacrament of First Eucharist is included in the second grade curriculum as part of the Parish Religious Education Program.

First Reconciliation

The preparation for and reception of the Sacrament of First Reconciliation is included in the second grade curriculum as part of the Parish Religious Education Program.

Confirmation

The preparation for and reception of the Sacramento of Confirmation is included in the 8th grade curriculum as part of the Parish Religious Education Program

Sacrament Preparation

The Parish Religious Education Program provides preparation for older children wishing to receive the sacraments of Baptism, First Eucharist, or First Reconciliation. The preparation for the reception of these sacraments is not included in the school curriculum but is part of a "family-centered" parish program. Requests for participating in these programs may be made through the school or through the Parish Catechetical Ministries Department.

Altar Servers

Boys and girls in grades 5 through 8 may participate in the liturgies as altar servers. The parish schedules the training for this ministry.

HEALTH REQUIREMENTS, GUIDELINES, AND PROCEDURES

Emergency First Aid

Our staff is certified to do first aid and CPR; however training is limited and serves only for immediate care. We will immediately notify parents of any illness or injury more serious than minor cuts and scratches, and will ask that you make arrangements to pick-up your child. If parents cannot be reached immediately, we will obtain emergency medical treatment (911), should the nature of the illness or injury require that no delay be made in seeking treatment.

Entrance Regulations

Every new student must have a Physician's Report (LIC 701) physical on file in the school office by the first day of attendance. The report must be dated within twelve months of entrance. There must also be a record of all immunizations (month, day, and year) since birth. Students may not attend class until this information is on file.

"It is required, on and after July 1, 1975, that each child upon enrollment in the first grade present satisfactory evidence to the governing body that he/she has received specified health screening and evaluation services within 18 months (prior to the start of first grade) unless the child's parent or guardian has given written notice to the governing body that they do not want their child to receive such services." (California Health Code). Results of these physicals should be reported on the State Health Form.

General Student Health Guidelines

We strongly encourage all students to have a general physical examination at regular intervals throughout their school years. Each time your child has a physical, please send the results to the school to update your child's health record.

Preschool Illness Policy

If your child is ill, please keep him or her home until the illness is over. Students with a temperature of 99.5 degrees (oral) or more, showing signs of thick green mucous, diarrhea, a new cold, excessive irritability, infection of the eye, or rash are considered ill and should stay home until symptoms disappear and there has been no fever for 24 hours. If your child is on antibiotics, he or she must have completed antibiotic treatment for a full 24 hours. More serious contagious diseases should be reported to us as soon as you find out about them. We are required to let parents know about incidents of contagious illness at our school, while maintaining the confidentiality of the sick child.

Students who become ill during the school day will be held apart from the preschool class. A parent will be contacted immediately. The parent or guardian should pick up their child as soon as possible. Children must be fever free for 24 hours before they can return to school.

Medications

When it is necessary for a child to take medicine during school hours, the following directives must be followed as required by the State:

"Notwithstanding the provisions of Section 11753, any pupil who is required to take, during the regular school day, medication prescribed for him by a physician, may be assisted by the school nurse or other designated school personnel if the school (1) a written statement from such physician detailing the method, amount and by which such medication is to be taken, and (2) a written statement from the guardian of the pupil indicating the desire that the school assist the pupil in the matters set forth in the physician's statement." (California Health Code).

Student Insurance

While at school and school-sponsored activities, the students are covered for accidents by Myers/Stevens and Company, Inc. This insurance program is mandated through the Diocese of Sacramento.

SAFETY PLAN

In the event of a fire, tornado, earthquake or other disaster, our first priority is the safety of the children. Contacting parents and/or responding to their inquiries has a lower priority than insuring the safety of the children and contacting the emergency authorities.

Earthquake and Fire Emergency Plan

In the event of a serious earthquake during school hours:

Do not telephone the school. Lines will be kept open for emergency use.

All students will be cared for in supervised areas until they are picked up.

Once the students are in a safe areas, we will begin notifying parents about picking up their children. We will use Urgent Email or Phone whichever is available.

Preschool Students will be released only to the parent or other specifically authorized person. The Director will keep this information in case of an emergency. Please be sure that your child knows the person(s) you have designated for pick-up.

DIOCESAN POLICIES AND GUIDELINES

CUSTODY OF MINORS-----DSB 5520

Unauthorized organizations, agencies, or persons shall never be allowed to assume custody of any student on school premises during school hours or immediately before or after school, unless the assumption of custody is explicitly authorized in writing by the parent(s) or guardian(s).

Regulations.....5520

1. Normally, principals should ask one other adult (e.g. pastor, teacher, secretary) to witness the presentation of the authorization unless the principal is absolutely certain that the authorization is bona fide.
2. In case of any doubt as to the validity of the authorization, custody shall not be granted.
3. In order to cooperate with student and family needs, the school should be informed of custody arrangements. It is the responsibility of the parent or guardian to inform the school of custody status and subsequent changes and arrangements. The school must ask for legal verification of these arrangements.
4. In the absence of any court order, the school will assume that both parent(s) have custody of a student, and the student may be released to either parent.

The following regulations have been added to assist principals and pastors:

5. The school shall rely on only the most recent certified legal document on file.
6. Letters of reference, progress reports, grades or any other privileged or confidential information shall only be given to the parent(s) identified in the court order or official certification of custody, unless the custodial parent or guardian has signed an authorization to release such information.
7. Release of a student to any one other than parent(s) with legal custody should occur only when accompanied with the proper authorization by that parent(s).
8. The school must have on file an original or certified copy of any restraining order(s).
9. Name changes, either by court order or parent's request, should be on file with the school.
10. If there is a certified custody order in place, accept directions from the custodial parent. Unless there is a custody order in place, stating otherwise, both parents will have legal custody of the children. In such a case, taking instructions from the parent with whom the children are living is the best approach.

11. Non-custodial parents should not be allowed to take part in school trips without authorization from the custodial parent.

DISPUTE RESOLUTION PROCESS (Diocesan Guidelines)

A. AIM

Disputes in schools are usually due to misunderstandings, differences in judgment, opposing interpretations of school policy, or perceived inequalities in the relationship between and among students, parents, teachers, and the principal. All parties involved in a dispute are expected to manifest good faith in their efforts to resolve disputes by maintaining an atmosphere of mutual respect, confidentiality, and Christian charity.

Every effort should be made between differing parties, through open and honest discussion at the onset, to resolve the dispute. In each case the parties need to meet to provide the opportunity to state the issue(s) clearly and begin work on solutions. The parties are empowered by their participation in the process to affect the outcome. In every case, the parties should attempt to resolve their differences at the level at which the dispute has taken place.

B. PROCEDURES

Step One: In the event that the situation cannot be resolved to the mutual satisfaction of either party through open and honest discussion, the dispute shall be presented within ten (10) calendar days of the incident that caused the dispute to the person most directly responsible for the matter involved in the dispute. For example, a parent complaint regarding a teacher's homework policy must be taken directly by the parent to the teacher for resolution before involving the administration.

Step Two: Disputes concerning school policy or unresolved disputes concerning school personnel shall be referred within ten (10) calendar days of the incident that caused the dispute, or within ten (10) calendar days of the presentation, described in Step One above, to the principal for his or her review and decision. If the dispute is concerning an employee, the principal will advise the employee of the nature of the complaint. The employee shall be given ample opportunity for explanation, comment, and presentation of facts as the employee sees them. The principal shall conclude his/her review of the dispute and render his/her decision within ten (10) calendar days of the referral described in Step Two.

Step Three: If the dispute cannot be resolved in Step Two, the complaining party, within ten (10) calendar days of the principal's decision in Step Two, may present the dispute to the pastor for his review and decision. The pastor shall conclude his review of the dispute and render his decision within ten (10) calendar days of receiving the referral described in Step Three.

Diocesan Review: If the dispute cannot be resolved at Step Three, any party to the dispute, within ten (10) calendar days of the pastor's decision at Step Three, may petition the Superintendent of Catholic Schools in writing for his/her review of the dispute. The Superintendent, at his/her discretion, may decide to review or not to review the dispute in question. If the Superintendent chooses to review the dispute, he/she shall render an

advisory recommendation to the pastor in writing within ten (10) calendar days of receiving the written petition.

For conflicts that involve an employee's due process rights, the procedure outlined in Part D of the *Personnel Handbook – Diocese of Sacramento* must be followed.

Should it become obvious that a parent is unable or unwilling to support the philosophy and policies of the school and/or the implementation of the philosophy and policies, the administrator will recommend/require that the parent transfer his child/children to another school, pursuant to Diocesan Policy 5119.3.
