

St. Ignatius Preschool

Celebrating Mothers & Number 7

We spent most of the week preparing for the most important day of the year: Mothers Day! Your children have worked hard to make a nice little gift for the mothers. We will send these home next week.

We have also spent the week focusing on the number Seven. We painted seven's and then made some Spring flowers

out of the sevens.

Reminder, next Wednesday, the 10th- please send in one flower for the May Crowning Mass.

Parents, please remember to "save the date" of May 26th. We will have a small graduation ceremony and reception.

This is a fun and important day for the students and I hope that every stu-

dent has at least one parent in attendance. Grandparents and other family are welcome.

The students wear Dressy clothes for graduation and are dismissed after the reception. This is their last day of Preschool.

IMPORTANT!!!

This week I sent home information regarding the Eighth Grade Carnival. It can also be found on the school website. **Please plan on bringing your child to the carnival.** They will love it! Remember to plan on picking your child up at 11:30 on May

12th. EVERY STUDENT MUST BE PICKED UP AT 11:30. .

Next week is the Buy One Get One book fair. There will be lots of fun books to buy in the Library at 12:00 and 2:45 when you

pick up your kiddo.

When the 'sign up' is posted please take the time to sign up to bring something for our Graduation with the Frog Class.

Please contact me if you have any questions.

Teacher
Becky DelPiero

Volume VII, Issue 29

May 5th, 2017

**ALL LIBRARY BOOKS
MUST BE RETURNED BY
MAY 19th.**

May 8th-12th is the BO-GO Book Fair. The Book Fair will be open at 12:00 just for the Preschoolers and again at 2:45 for the entire school. Plan on taking your child to pick up some great books CHEAP!
