www.stfrancishs.org/summer

Fun and exciting summer credit and non-credit courses and camps for 5th-12th graders are available on the SFHS campus for your sons and daughters, cousins, neighbors and friends.

Arts, Academics, & Sports - SF Summer is relaxed and productive. Students take classes in June and/or July so they can get ahead, have a free block off in the school year, hone their skills, and learn something new.
