

# Surgeon's Club

**Surgeon's Club is an afterschool activity focusing on the anatomy of specific animals. This club is an introduction to dissection and a great resource for exploration. This club is open to 6th, 7th and 8th graders, with a maximum of 20 students. This year we are focusing on three specific animals for dissection:**

**Dogfish Shark Squalus (Shark)  
Lubber Grasshopper Brachystola (Grasshopper)  
Rattus norvegicus domestica (rat)**

**The club will meet on Wednesdays, March 18 & March 25th, April 1st & April 8, April 29th & May 6th, from 3:10pm to 4:45 pm.  
(The club will not be meeting on April 15th (due to Easter vacation and April 22nd, due to the 7th grade trip to Marin Headlands).**

**There is a \$50/person fee for Surgeon's club. This fee covers the cost of the specimens and materials used for the Club. By signing the bottom of the form, you are giving your child permission to attend surgeon's club. Please attach your check to the form. If you have any questions, please contact Mrs. Carleton, [scarleton@stignatiussacschool.org](mailto:scarleton@stignatiussacschool.org).**

**Please fill out the bottom of the form, if your student is interested:**

**Name: \_\_\_\_\_ Grade: \_\_\_\_\_**

**Parent Signature \_\_\_\_\_**
