

# 4th grade Science

## Wednesday/Wednesday/Wednesday

Due Wednesday, February 21st

Write answers on a separate piece of paper.

1. Go to the Medical Museum of Sierra Sacramento Valley Medical Society website at <http://www.ssvms.org/museum.aspx>
2. Read the information about the Museum
3. Click to view the Virtual Museum Explorer
4. Answer the following questions:

\*How many cabinets are in the lobby?

\*Click on Cabinet E, Iron Lung. What did the Iron Lung do? How many are still on public display in the U.S.?

\*Click on Cabinet 10, Surgery. Click on any of the surgical instruments and write what it is, when it was used, and what it was used for.

\*Click on any of the other cabinets. Write three facts you discovered.

\*What are you most looking forward to seeing at the Museum on our field trip?
