

## St. Ignatius 7<sup>th</sup> Grade Summer Reading - 2013

It is very important for everyone to continue reading over the summer. Each student should read daily for at least 20 minutes.

This summer's required reading is to read two novels. One novel may be free choice. For your second book, you will read either Hope Was Here by Joan Bauer or White Fang by Jack London.

Read both novels carefully and be prepared to share your insights and answer questions about the books at the beginning of the year.

Here is a list of some books that have been popular with students in the past. If you have not read some of these, you may want to look into reading one or more this summer.
