*Annual Fund / Parent Club / Capital Campaign understand the distinction*

*The Annual Fund is separate from Parent Club obligations. BOTH the Annual Fund AND Parent Club are crucial to bridge the gap between tuition and the actual cost. The Parent Club raises funds through events that allow our families to strengthen the community that makes SI special.*

*The Capital Campaign is an intense effort on the part of St. Ignatius Parish and School to raise the money needed to build our new school building. Thank you to every family that has committed to the dream of our new school.*
