

8th Grade Arrupe Marketplace 2020

The Arrupe Project is named for former Superior General of the Jesuits Pedro Arrupe who said that our prime educational objective must be to form men and women for others.

Based on Catholic Social Teaching, Scripture (Matthew 25), and the Corporal Works of Mercy, the GOAL of this project is to empower the students to become men and women for others through faith, service, and justice as they demonstrate our school's Student Learning Expectations of being committed to doing justice and living out their FAITH.

The Arrupe Project is an inspired and adapted version of "The Arrupe Project" done at St. Francis Xavier School located in Phoenix, AZ.

St Ignatius 8th Graders will be fundraising for and educating the community on their approved, non-profit organization listed below.
