An Amazing
VIRTUAL EVENT

#AMAZING GRAPES 2020

Things might look different this year, but they can still be #AMAZING! Please join us as the St. Ignatius community comes together for the first major fundraiser of the year, Amazing Grapes. Our virtual wine tasting event will be held on the evening of **November 7th**.

We are excited to present incredible tastings from the boutique winery, Work Vineyard, as well as the notable, Frank Family Vineyard. Both wineries are very excited to present you with educational and entertaining tastings. This promises to be a very fun evening!! Tickets will include a virtual invitation to the event, one bottle of wine from each vineyard, two wine glasses and a fun lawn sign to show your support for our #AMAZING community.

We have also partnered with the incredible **Grazing Cravings** to provide charcuterie and dessert options to compliment your wine tasting evening. Additional wine from our featured wineries will be available to purchase at a discounted price as well.

We are excited to continue the tradition of a cash raffle this year, and winners will be announced live during the event. Be sure to show your support with an **#AMAZING mask**, **#AMAZING t-shirt** or have a, **“Someone thinks you’re #AMAZING” lawn sign** delivered to someone you know to spread a little joy throughout the community.

We will also be continuing our classroom contest for the most grape sales and most class participation. Be sure to purchase grapes for the classroom doors! This is a weekly contest, so the class with the most grapes will win a Starbucks coffee for their teachers! Free dresses passes also available for purchase!
