

# Junior Marauder Band

Offered Fall 2017 through Spring 2018

This unique band program brings together boys and girls, from different schools, to learn how to play an instrument in a concert band. In addition to two 45 minute band classes a week, the students will be given the chance for small group and one on one tutoring from mentors in the advanced Jesuit band programs. Previous music background is not needed, only the desire to learn how to play and make music!. At the end of each semester the students will be given the opportunity to perform in a concert with the beginning Jesuit band!

This program is open to students in fourth through eighth grade. There will be both classes for beginners and for students with one or more years of instruction on their instrument. Students are responsible for rental/purchase of their instruments and purchase of the study book. Rehearsals will be held in the band room on the Jesuit High School campus. Cost is \$120 per semester with payment due to the Jesuit office at the beginning of each semester.

Instruction will begin on the Tuesday after Labor Day (9/5/17), with beginning students meeting on Monday and Wednesday of each week and continuing students meeting on Tuesday and Thursday of each week, from 4-4:45.
