

OUTTA. THIS. WORLD.

# After School Program...Virtually!

With attention grabbing demos and easy to-do at home experiments...your Jr. Scientists can do science right along with us, but in the comfort of your own home! Mad Science branded activities/toys will be provided to you that supplement each class! We will email you a supply list of household items for the live experiments and the ZOOM information!

**Class Day:** Thursdays

**Time:** 4:00—5:00 PM

**Grades:** K-5

**Program Length:** 6 weeks

**Start Date:** 1/14/21

**Price:** \$99

*\*St. Ignatius staff will coordinate supply pickup with registered students.*
