

# Making Playdough at home!

Traditional Playdough Recipe-

make at least three batches to have enough.

1 cup flour

1 cup warm water

2 teaspoons cream of tartar

1 teaspoon oil

¼ cup salt

Food coloring- quite a lot to get a strong color

Mix all ingredients, adding food coloring last. Stir over medium heat until smooth. Remove from heat and knead until blended smooth (once it is cool enough to touch). Place in airtight container when cooled.

For Christmas please do red or green- you can also mix in some glitter too! Thanks!
