Cachele Thompson-Preschool Teacher

The Journey Ends With the Number "10"

"Tall and straight, a circle then, that's the way to make a ten!" This is the chant we learned so we can make our tens. We found that the tens were the easiest to make as long as we remember the order of the numbers. Please continue writing and recognizing the alphabet, work on scissor and pencil holding skills over the summer.

This will be the last newsletter of the year. Thanks to all of you. I especially want to thank my Frog Room Mom Meghan Marino and my Pollywog Room Mom Sarah Carollo. Both of you took on so much this year, and I can't express my gratitude!

I have enjoyed getting to know all of my students and their families, and I will be very happy to see most of you in the Fall. To the families who won't be returning next year, please know I will miss you and will cherish the memories we have made. It's been a privilege to teach your children.

Have a wonderful Summer!
~~Ms. Thompson

Curriculum Content

We have been going over our ABCs and 123s! We've also had fun doing a lot of end of the year things.

Thank you to all who have donated

We Did It!!

My Frog & Firefly Friends had a wonderful Graduation! Thank you to all of the families for attending this special event. I hope Everyone has a wonderful Summer. Please check out the Shutterfly site for Graduation pictures!

My Pollywog Friends Had a blast during their water day. Even with the inclimate weather, they got in there and got wet. I might have started the water fight, but they sure did finish it! Please check out the Shutterfly site for some great pictures.

My Frog Friends Celebrated their 100 Days of School Wednesday. They had a fantastic time decorating the "100" cookies, make 100 Day Crowns, and doing other 100 activities. Please check out the pictures on Shutterfly.

Magis Trivia Night 2017 Thursday June, 1st!
