

PLCT Certification Process

All athletic directors and head coaches must be certified in our '**Play Like a Champion Today**' program. It is recommended that Asst. Coaches are also certified.

- New Coaches and Athletic Directors must attend the general PLCT Workshop (3-hour workshop). Must attend before you can volunteer or assume your duties.
- The Workshop is offered before each season: August, December, March
- Coaches and Athletic Directors renewing PLCT certification must attend Re-Cert Workshop (1 ½ hr workshop)
- Check-In will begin ½ hour prior to workshop start and the doors close at the start of the workshop.
- Both certifications will last 4 years.
- Please **pre-register** for the workshop to ensure enough booklets are available. To register for the certification click [here](#).
- **Make sure to bring something to write with to the workshop.**
