

SACRAMENTO CHILDREN'S HOME

Giving children & families a better tomorrow since 1867

Our Mission: “Opening Doors to the Future by Maximizing the Potential of Children and Families”

Since 1867, the Sacramento Children’s Home has been dedicated to caring for our community’s most vulnerable children and families.

We offer a comprehensive spectrum of prevention, early intervention and mental health treatment programs to strengthen families and stop the generational cycle of child abuse and neglect. From educating parents of infants and toddlers to teaching independent living skills to young adults, we are able to help the widest range of clients and address the widest range of needs of any child and family service organization in the county.

Our mission could not be accomplished without the help of our generous donors and volunteers, as well as our dedicated leadership and auxiliary groups. Together, we are able to make a significant difference in the lives of more than 7,000 children and 4,300 families a year.
