# WHY *you* GIVE

Over 400 families choose St. Ignatius Parish School for excellence in spirituality and academic development. Through the support of our donors, we are able to offer more robust specialized programs in addition to our strong core curriculum.

**Technology** education begins as early as TK with topics such as coding, media literacy, collaboration, animation and video projects.

**Science** is introduced in 1st grade. Our Primary and Secondary Science Classes focus on hands on experiences that are based on next generation science standards.

**Physical Education** classes develop a student's awareness of the benefits of physical fitness and healthy nutrition.

**Art** program teaches all aspects of visual art media, from viewing reproductions of famous artworks to drawing and painting to clay sculpting.

**Spanish** instruction begins in 1st grade, introducing students to basic Spanish, preparing them for Spanish 1 in high school.

**Library** access where the latest books are available to borrow. Younger students enjoy story time with our librarian.

**Advanced Math and Algebra** are available to 7th and 8th graders preparing them to excel in high school.

**Resource Teachers** who provide additional one-on-one or small group support as needed.

**Teacher's Aides** in every classroom.

**TK and Preschool** classes for our youngest students where they can play, learn and grow together.

## A MESSAGE FROM OUR PRINCIPAL AND OUR PASTOR

*blessed* WITH

This past year, 2017-2018 was historical for our school and parish. We broke ground for our new school and parish offices. We saw and felt the significant investment this community, all of you, have in our school and parish programs.

It was a banner year for our Parent Club and all our fundraisers. Our co-presidents worked tirelessly as did all our co-chairs and committee chairs of our fundraisers and friendraisers. The entire parent community not only volunteered at our numerous Parent Club events and on committees, but Parish events and committees as well. Where would we be without you?

To the teachers and staff who work tirelessly. Weekends, weeknights, professional development classes over the summer to improve your craft ... articulation meetings, the list goes on and on. You are the key to the consistency that we provide to the students day in and day out. Your love and commitment to our children and the community is priceless. Where would we be without you?

It begins with our pastor, Father Mike and trickles down. This year of gratitude. Look what this community is doing! WE are the CHURCH. You, all of us, are part of something very, very special here. Your children inspire and motivate us every day .... but it goes beyond that. We are building a community, a community of faith, that your family will be part of for many years to come. It takes every one of us to make this happen, it really does take a village.

I am grateful to be part of this magical moment. The 2017-18 school-year provided many gifts and I count this journey as one of my life's blessings.

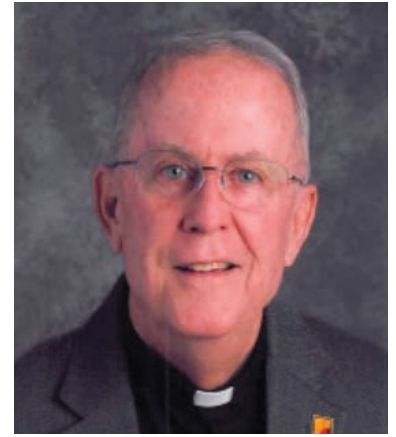

Cheers to each of you!

# GRATITUDE

The 14th century, German Dominican mystic, Meister Eckhart, once said that “If the only prayer a Christian said was ‘Thank You,’ it would be enough.” Ronald Rolheiser, a contemporary spiritual writer, makes it clear that gratitude is the most primary of all religious attitudes. While they all manifested it in different ways, all the saints incarnated gratitude in their life. As Rolheiser points out, “Anyone who takes life and love for granted should never be confused with a saint.”

You give me reasons every day to be grateful. Your children give me reasons, every time I visit their classes or celebrate Mass with them, to be filled with gratitude. As I look at the new School building and Parish Offices that weren’t on our property a year ago, I am filled with both wonder and gratitude. As I remember the School Families that have united with other Parish Families to make sacrificial commitments of their treasure to make this new building possible, I am filled with gratitude.

In the Book of Proverbs, we read: “Where there is no vision, the people perish.” (Prov. 29:18) School Families could not have realized this vision alone. Parish Families could not have made this dream a reality by themselves. It was School Families working with Parish Families and the Diocese of Sacramento that converted hope into a new and blessed beginning for all. It takes a village and I am so grateful you are part of our village.

# A year OF GROWTH

**SI VILLAGE** During the summer, on multiple 100 degree plus days, faculty, parents, students, and alumni worked as a team to move everything from the old school into the portables. The temporary classrooms quickly became known as the SI Village. It was clear as we set up the new home for the academic year that the spirit of St. Ignatius Parish School is more powerful than a physical structure.

**“I AM MOST GRATEFUL THAT OUR NEW SCHOOL IS COMING AND THANKFUL FOR THE PEOPLE THAT DONATED.”**

# A year OF CHANGE

**“I AM THANKFUL FOR THE  
CONSTRUCTION WORKERS AND  
GENEROUS CONTRIBUTIONS  
THAT MADE OUR NEW SCHOOL  
A REALITY. THANK YOU TO ALL  
THAT MADE THIS HAPPEN.”**

MASON FAT (Class of 2019)

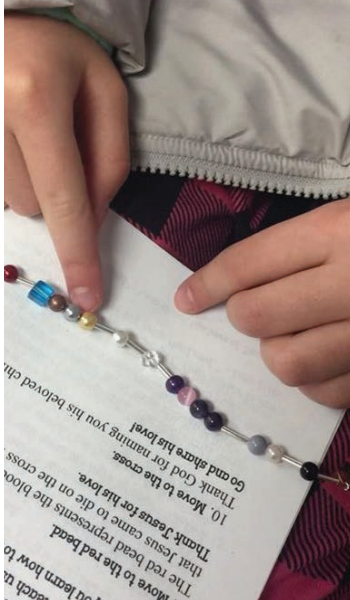

**SI CONSTRUCTION** Through the generosity of school families, parishioners, faculty, and alumni we are able to make the dream of a new school a reality. Our new school building will have up-to-date classrooms, both upper and lower science labs, and the technological infrastructure to prepare our students for secondary school, college, and beyond.

THE AMAZING TEACHERS AND  
THE PRIESTS THAT TEACH  
ABOUT JESUS."**

DANIELLE PAYANT (Class of 2022)

*A year OF*

As the only Jesuit elementary school in the Sacramento region, our students benefit from a unique learning experience which supports our Catholic faith and is the foundation of all that we do.

## AD MAJOREM DEI GLORIAM

The Jesuit tradition believes all striving should be sought "For the Greater Glory of God." Everything is done to God's glory in our personal lives, in our careers, in our world. Pride and our own selfishness or ambition are set aside. Choices become a lot simpler when filtered through whether they will bring God glory or only please ourselves.

Our school community is blessed to include four Jesuit priests. Each class is assigned a priest who visits the classrooms regularly to support the religious education of the students. In addition to receiving instruction from our outstanding faculty, our students benefit from the experience of these world class educators who have taught from the high school to the college graduate level.

Our students further benefit from a Jesuit education by making a difference in our community. Students live Ignatian Values in many ways throughout the school year.

**MAGIS CLUB** Played bingo with elderly residents at Mercy McMahon. Sang Christmas carols at Shriners Hospital for Children. Made blankets for the Linus Project.

**ALTAR SERVERS** Over twenty 5th-8th grade students served in masses year round.

**TK** Students drew photos of how they praise God and find God in all things.

**KINDERGARTEN** "Prayer Bear"; each student brought home a class bear and journal to write daily prayers.

**FIRST GRADE** Hosted breakfast for over sixty First Responders to show gratitude for their service.

**SECOND GRADE** Students prepared and celebrated being welcomed to the table of the Lord through their First Holy Communion.

**THIRD GRADE** Created prayer cards and prayed for their intentions.

**FOURTH GRADE** Made gift bags for students at the Mustard Seed School.

**FIFTH GRADE** Participated in an Advent Retreat and began Altar Serving.

**SIXTH GRADE** Assigned a kindergarten buddy to mentor. This partnership continues until graduation.

**SEVENTH GRADE** Went caroling with 1st Grade at neighborhood nursing home.

**EIGHTH GRADE** Confirmation, spiritual retreats and the Arrupe Project (*more details on page 14*).

# A year OF EDUCATION

With our focus on STEM (Science, Technology, Engineering, Math) our students as young as TK are exposed to all of these subjects as well as art, Spanish, and physical education. In first grade, we start with a strong foundation in science. Learning new things in science labs, field trips and group work, our young scientists are challenged to a fun, hands-on learning experience.

**“WE ARE THANKFUL THAT ST. IGNATIUS EDUCATES THE WHOLE CHILD. VALUES AND VIRTUES ARE AS IMPORTANT AS MATH AND SCIENCE. THIS FOR US, MAKES ALL THE DIFFERENCE.”**

DAN AND ANNA-MARIE STOUDER  
Parents of Hannah (Class of 2021), Anthony (Class of 2022),  
Jack (Class of 2024), and Annabelle (Class of 2028)

First and second grades took a trip to the Farm at Cal Expo and the third grade went to the Powerhouse Science Center. Fourth grade, to prepare for upper science, did a lot of field work by examining different varieties of trees in Arden Park, going to the Roseville Utility Exploration Center, visiting the Sacramento Valley Medical Museum and the Nimbus Fish Hatchery.

In addition to our academic focus, we incorporate the mind, body and soul connection through our physical education program. We have been

blessed for the past 21 years to have Rich Romo teach students in P.E. about health, nutrition, exercise, sportsmanship and teamwork. Mr. Romo is able to sneak in a lot of learning about Faith, Action, and Integrity all while having a lot of fun with games.

## CURA PERSONALIS

This value translates to care for the whole person. Caring for the individual person and respecting each person—and all of God's creations—is central to Jesuit tradition.

**“HAVING GRADUATED FROM JESUIT HIGH SCHOOL, I HAVE EXPERIENCED THE FIRST-HAND BENEFITS OF A JESUIT EDUCATION. IT IS CRUCIAL AND IMPORTANT TO HAVE OUR CHILDREN ADOPT THESE VALUES, ESPECIALLY IN THE TURBULENT SOCIETY OF TODAY.”**

DR. DAMON SZYMANOWSKI, DDS, Parent of Olivia (Class of 2026), Alexander (Class of 2028), and Isabelle (Class of 2029)

**Our 2018 Arrupe Contributions!**  
\$18,000.38

**37 Students**   
**22 Different Organizations**

*A year* OF

The St. Ignatius Parish School Class of 2018 knows what it means to be “Men and Women for Others.” These 37 students raised \$18,000 for 22 different local organizations engaged in ending inequality. The students shared the incredible journey they took this year at the Arrupe Project Expo.

Eighth grade students at St. Ignatius participated in the Arrupe Project, which challenged them to research issues that affect their community. Through this project, students “pay it forward” by becoming personally engaged in their response to social injustice. Students researched organizations that are actively engaged in ending inequality.

**The Arrupe Project** is named for former Superior General of the Jesuits, Pedro Arrupe who said that “our prime educational objective must be to form men and women for others.”

Based upon Catholic Social Teaching, Scripture (Matthew 25), and the Corporal Works of Mercy, the goal of the Arrupe Project is to empower students to become men and women for others through faith, service, and justice.

Here are some of the organizations the eighth graders felt inspired to support:

- Albie Aware
- Canine Companions for Independence
- Giant’s Community Fund
- Homeboy Industries
- Make-A-Wish
- March of Dimes
- Ronald McDonald House
- Sacramento Children’s Home
- Salvation Army
- Shriners Hospital

## WOMEN AND MEN FOR AND WITH OTHERS

Being engaged in community is a core value of the Jesuit tradition urging that all men and women should share gifts generously, pursue justice, and show concern for the poor and marginalized. Jesuits believe all people all have a responsibility to make the world a better place for one another and a responsibility to care for one another’s humanity by helping it flourish.

# A year OF CHAMPIONS

For a record-setting 11th consecutive year, St. Ignatius Parish School has won the Diocese of Sacramento's Junior High Academic Decathlon. The team is comprised of sixth, seventh, and eighth graders. No other school in the history of the event has achieved this unprecedented success.

**“THE STUDENTS’ ABILITY TO COLLABORATE WITH, SUPPORT, AND HELP ONE ANOTHER IS A TESTAMENT TO THE SUCCESS OF THE TEAM, AND TRULY EMBODIES THE IGNATIAN THEME OF MEN AND WOMEN FOR OTHERS.”**

Academic Decathlon Coach and
