

ST. IGNATIUS PARISH SCHOOL

2019–2020 ANNUAL REPORT

We are...

Lord Jesus, teach me to be generous,
Teach me to serve as you deserve,
To give and not to count the cost,
To fight and not to heed the wounds,
To labor and not to seek to rest,
To give of myself and not ask for reward,
Except for the reward of knowing that I am doing your will.

St. Ignatius of Loyola, pray for us.

Amen

ST. IGNATIUS OF LOYOLA

Welcome to St. Ignatius Parish School. We are a faith community grounded on Jesuit principles which cultivates excellence in mind, body, and spirit, sending forth students for and with others.

Director of Advancement:
Debra Russell
(Claire, Class of 2014 and
Todd, Class of 2015)

Copywriting:
Debbie Payant
(Jack, Class of 2020 and
Danielle, Class of 2022)

Graphic Design:
Jason Wister / PAIR design
(Ayriana, Class of 2025,
Cobden, Class of 2031)

We are...

Religious

Students develop strong moral reasoning skills and come to understand that faith in Jesus calls one to live as a person for others.

Open to Growth

By instilling a joy in learning, students seek opportunities to develop their own mind, body, imagination, feelings, and religious consciousness.

Intellectually Competent

Students master fundamental academic skills and have the knowledge, awareness, critical thinking skills, and intellectual integrity to succeed in high school.

Committed to Doing Justice

Students grow to understand injustice and its sources in the world and begin to see that Christian faith demands an active commitment toward fostering a just society.

Loving

Students grow to know and accept themselves as being loved by others and being personally known and loved by God.

A MESSAGE FROM *Our Principal*

As I reflect on the 2019-20 school year, we were blessed to experience many firsts. Due to the generosity of so many people and with much excitement and anticipation, we moved into our new 27,000 square foot building in June. The smiles and laughter could be heard from our youngest child to our oldest staff member. We enjoyed a beautiful dedication of our new parish and school building, highlighted by the Mass presided by Bishop Soto who then blessed our building. Following the blessing, members of our entire parish community—parishioners, alumni, neighbors, and school families—toured the new facility.

As part of our Ignatian Spirituality, we continued our work with the “SI5,” our Schoolwide Learning Expectations: Religious, Loving, Open to Growth, Intellectually Competent, and Committed to Doing Justice. Our second graders shared a mantra at every morning assembly to support even our youngest children in learning the SI5, while faculty and staff infused their lessons and class discussions with examples on how we live out these expectations.

Families, faculty, staff, and students in an Ignatian-inspired school also live the sixteen Jesuit Virtues. This past school year, we were excited to create and implement a Virtue Program bringing to life all sixteen virtues with a focus on one or two each month. We integrated the virtues into our report card language and our behavior management practices as well. Using the SI5 with the virtue program provides a common vision and goal for all of us.

Of course, no one could have anticipated the disruption of a pandemic.

But, on March 13, 2020, we were given the news and the Stay-at-Home Order. Like everyone else, we were planning for two weeks of Distance Learning. Our faculty and staff did an amazing job, beginning immediately on Monday, March 16th, without missing a beat. Sadly, the pandemic ended our time on campus without much warning. But we were able to pivot, ending the year with our 8th graders graduating outside in the parking lot with masks on and socially distanced. Collaboration, patience, grit, fortitude, grace, and gratefulness all played out over and over again with a much needed sense of humor to get us all through to the end. 2019-20 is the year we know has grounded our beliefs in this community and how we can meet any challenge thrown our way. We can look back on a wonderfully blessed, unusual, happy, sad, demanding, faith-filled, and loving year. In the end, we always have each other, and our children are better for it.

Patricia Kochis

PATRICIA KOCHIS

Principal, St. Ignatius Parish School

Collaboration, patience, and gratefulness all played out over and over again to get us through to the end. We can look back on a wonderfully blessed, unusual, happy, sad, demanding, faith-filled, and loving year.

This has been a year of great rejoicing, as our students, faculty, and staff moved into, and became at home in their new school building.

A MESSAGE FROM *Our Pastor*

I arrived here as new pastor of St. Ignatius Parish just a few months ago. I'm still learning my way around our campus, exploring our church, parish offices, and new school. I am deeply impressed and grateful for the significant investment this community has made in its youth through the construction of a modern Catholic school in our growing Arden Arcade area. I join the school community in thanking our retiring pastor Fr. Mike Moynahan for his vision and leadership.

The education of youth has been a hallmark of the Jesuit tradition since its beginnings in the mid-16th century. After his conversion in 1521, one of the first things that Ignatius, a Spanish courtier, did was to go back to grammar school. At age 30 he sat among children and began to acquire the tools, training, and discipline that he would need for his future service of God and his community. His dedication to learning and to the transformational power of education became definitive for all Jesuit enterprises. From the first classrooms at Messina in 1546 to our new building dedicated just last year on Arden Way, St. Ignatius's vision of education as the foundation for spiritual development, civic engagement, and righteous action has transformed generations of young men and women.

This has been a year of great rejoicing, as our students, faculty, and staff moved into and became at home in their new school building. It has also been a year of great challenges, as the COVID-19 pandemic forced them out of that new, sheltering edifice. We salute both the creative vision that built our school and the faculty and staff who adapted so generously to new exigencies with great creativity and dedication. St. Ignatius would be proud of you, and so are we.

Praying God's blessings on you all, and with sincerest thanks,

Fr. Tom Lucas S.J.

FR. TOM LUCAS S.J.

Pastor, St. Ignatius Loyola Parish

WE ARE *Grateful*

As soon as classes ended in June 2019, parents, alumni, and friends helped move books, desks, and more from the portable classrooms into the brand new school building.

Over the summer the building was buzzing with activity. Teachers excitedly decorated their new classrooms. The final touches were completed on security and technology. The library was stocked with old favorites and new tales of adventures. Finally, it was time to welcome the students to their school.

A dedication ceremony was held on Sunday, August 25th. Our community came together as our new school and parish buildings were blessed by Bishop Soto.

The \$12.2 million construction project took two years to complete. The original St. Ignatius Parish School was built when the parish was founded more than 60 years ago.

The modern school facilities feature state-of-the-art learning technology, science laboratories, and spaces dedicated to the arts and languages. Both indoor and outdoor gathering spaces can accommodate special events, celebrations, and meetings. “It allows us to provide the best education possible for our students,” said Vice Principal Katrena Paine. The construction project also included building new parish offices which will provide services to the homeless, immigrants, and the elderly.

“Thanks be to God there was the will and commitment of the community to rebuild a new school. And to me, that’s just a very hopeful sign.”

MOST REVEREND BISHOP JAIME SOTO

Size of school:
27,000 SF

Size of lunch area:
8,000 SF

Size of outdoor
school courtyard:
3,280 SF

New Building Facts:

- 2 Science classrooms
- Technology lab, complete with 2 green screens
- Classroom dedicated to our Resource Program
- Classroom for our Advanced Math and Algebra 1 classes
- Art studio

Safety Features:

Indoor fire sprinkler system, security cameras, security alarm system, exterior fence with security doors and gates

GRATEFUL FOR OUR PAST. *Hopeful in our future.*

When I remember how God created this world of ours, how he looked at it with nothing but love and said, “It’s good. It’s very good.” When I recall how he entrusted us with care for what he made—I am grateful for our past and hopeful in our future. When I remember stories Jesus told that painted in bold strokes the hand and heart of God—the shepherd searching for the stray, the parent longing for the prodigal’s return, the teacher washing his students’ feet—I am grateful for our past and hopeful in our future. When I remember the Spirit gift he left us who reminds us should we forget, who inspires us to the necessary good, who helps us find the risen Christ around us, who gives us seeds of peace to sow on earth, who teaches us the love expressed in deeds, I am grateful for our past and hopeful in our future. When I remember the generosity of God—the blessings of life and family and friends, the health of mind and body and soul, the love others first poured into me, the gifts of time and talent and treasure, and the chance to say ‘Thank You’ in kind, I am grateful for our past and hopeful in our future.”

FR. MICHAEL E. MOYNAHAN, S.J.

WE ARE *Religious*

Students develop strong moral reasoning skills and come to understand that faith in Jesus calls one to live as a person for others.

The *Spiritual Exercises of St. Ignatius Loyola* guides our awareness that God is in all things. Often described as Ignatius's greatest gift to the world, these exercises unfold a dynamic process of prayer, meditation, and self-awareness. God is communicating with us and trying to draw us into an awareness of who we are.

Throughout the 2019–2020 school year, our faculty, led by 8th Grade Teacher, Mrs. Angela Olsen, adapted the Ignatian Spiritual Exercises so that our students could personally know Jesus in deeper ways and follow Him more closely.

Through an Ignatian Virtue Program based on the Spiritual Exercises, SI students became aware of behaviors that help all of us grow in character.

We are not human beings having a spiritual experience. We are spiritual beings having a human experience.

PIERRE TEILHARD DE CHARDIN, S.J.

Pupils of St. Ignatius Parish School *are growing to be...*

Grateful for their own gifts, for the gift of other people, and for the blessings of each day; and **generous** with their gifts, becoming men and women for others.

Attentive to their experience and to their vocation; and **discerning** about the choices they make and the effects of those choices.

Compassionate towards others, near and far, especially the less fortunate; and loving by their just actions and forgiving words.

Faith-filled in their beliefs and **hopeful** for the future.

Eloquent and **truthful** in what they say of themselves, the relations between people, and the world.

Learned, finding God in all things; and **wise** in the ways they use their learning for the common good.

Curious about everything; and **active** in their engagement with the world, changing what they can for the better.

Intentional in the way they live and use the resources of the earth, guided by conscience; and **prophetic** in the example they set to others.

The purpose of Jesuit schools is improvement in living and learning for the greater glory of God and the common good.

ST. IGNATIUS OF LOYOLA

WE ARE *Loving*

Students grow to know and accept themselves as being loved by others and being personally known and loved by God.

The grandparent-grandchild relationship bond is unlike any other. Grandparents are an integral and important part of a child's support system and many are blessed with the opportunity to be involved in the daily lives of their grandchildren who attend St. Ignatius School. This special relationship is recognized each year at our Grandparent and Special Friends' Mass.

In the spring, a Grandparents' Club was formed to provide an additional opportunity for grandparents to gather, to rekindle old friendships, and to meet new friends within the community of St. Ignatius Parish School. The goal of St. Ignatius Parish School Grandparents' Club is to support the events, programs, and projects of the school through the sharing of time and talent.

Research shows proven health benefits from the relationship between grandparent and grandchild. The Grandparents' Club was established to create positive experiences and opportunities for grandparents, with their grandchildren. Grandparents provide support and services which further the mission of St. Ignatius Parish School.

Once allowable, in-person meetings will be held on the 2nd Wednesday of the month at 8:30 am in the Parish Ministries Room.

CAROL WALKER, GRANDMOTHER OF
CHARLOTTE CORDISCO (CLASS OF 2029)

**As grandparents, many of us have
the time to enhance the school
experience for our grandchildren
and for all the community that is
St. Ignatius Parish School.**

JULIE OGAN, GRANDMOTHER OF ANNE (CLASS OF 2021)
AND WILL (CLASS OF 2024) MACLAUGHLIN

WE ARE *Open to Growth*

By instilling a joy in learning, students seek opportunities to develop their own mind, body, imagination, feelings, and religious consciousness.

Science, technology, engineering, art, and mathematics (STEAM) are the gateways to critical thinking and developing the conceptual skills students need to understand the world around them. These skills, combined with the ability to problem-solve, work collaboratively, conduct research, and plan and execute a design process, are considered the foundation for innovation that is needed for our students' future success. STEAM education creates critical thinkers, increases science literacy, and enables the next generation of innovators.

We are blessed that STEAM is a major priority at St. Ignatius School. Thanks to generous contributions to our Annual Fund, we are able to provide our students with a robust curriculum in Lower Science, Upper Science, Technology, Art, and Spanish. In addition, our middle school students have an opportunity to take Advanced Math and Algebra 1.

St. Ignatius Parish School has a fully implemented Next Generation Science Standards (NGSS) program for our 1st-8th graders. This program focuses on a deeper understanding and application of content. NGSS integrates the study of science and engineering in coordination with the Common Core State Standards. Both our Lower Grade and Upper Grade Science Programs provide the foundation by using science and engineering practices to actively engage students using real-world applications through group projects, experiments, and field trips.

We are all pencils in the hand of God. ”

MOTHER TERESA OF CALCUTTA

The Upper Science Classroom provides:

- ★ Space to have 20 microscopes that allow every student access during a lesson.
- ★ The lab can be split up into many types of learning environments, which allows movement and participation in projects.
- ★ A dedicated WiFi hub enables fast, reliable access to research websites and online reference materials.
- ★ The dual projector system allows all students to see lesson content from any place in the classroom, which creates an immersive experience.

The new science lab changed every facet of our students' science inquiry.

SERENA CARLETON, UPPER GRADE SCIENCE TEACHER

WE ARE *Committed to Doing Justice*

Students grow to understand injustice and its sources in the world and begin to see that Christian faith demands an active commitment toward fostering a just society.

Putting their faith in action, service is a key element of an education at St. Ignatius Parish School. Students, parents, and staff participate in many service activities serving the poor and the vulnerable. Voluntary school-wide and classroom service projects help our students to be young men and women for and with others.

Love is shown
more in deeds than
in words.

ST. IGNATIUS OF LOYOLA

Magis

The mission of the *magis* ministry is to do “the more” for the greater good of society and for the Greater Glory of God. St. Ignatius challenged us to see God in all things; *magis* seeks to challenge students to see God through others by serving individuals in the community to better their lives or their environment.

This year 76 students from 3rd–7th grade participated in *magis*. This club continues to grow each year and therefore is able to do more and more for our community.

40% of students
in 3rd–7th grade
participated
in *magis*

- *Magis* students served at Sharing God’s Bounty for SI Parish.
- *Magis* students made Halloween candy bags for homeless children who attend the Mustard Seed School in Sacramento.
- *Magis* students made blankets for the Linus Project which serves children in need in the Sacramento area.
- *Magis* students made many Christmas and get well cards for the children at Shriners Hospital.
- *Magis* students participated in the Run to Feed the Hungry Event and collected donations for the Sacramento Food Bank and Family Services.

Amount raised
for 32 nonprofits:
\$13,715

Arrupe Project

The goal of the 8th grade Arrupe Project is to empower students to become men and women for and with others through faith, service, and justice as they demonstrate our school’s Student Learning Expectation of Being Committed to Doing Justice. The students are challenged to research issues that affect their community. Through this project, students “pay it forward” by becoming personally engaged in their response to social injustice.

The 39 students of the Class of 2020 – Promoters of Justice raised \$13,715 for 32 nonprofit organizations.

Blessed are they
who maintain justice,
who constantly do
what is right. ”

PSALM 106:3

WE ARE *Intellectually Competent*

Students master fundamental academic skills and have the knowledge, awareness, critical thinking skills, and intellectual integrity to succeed in high school.

On Friday, March 13th, instead of getting excited for weekend plans, including our Gala celebration on Saturday night, faculty and staff jumped into action to prepare for what we thought would be a brief time of Distance Learning. The quality of our technology program, and the fact that we had aides in the classroom, allowed us to transition quickly and smoothly.

On that fateful Friday morning, our faculty and staff learned that it was a possibility that we would be unable to hold in-person class the following week. The faculty was able to brainstorm a plan and execute it. Students were sent home with textbooks and supplies so they could be back in school Monday morning – this time – from home.

Our technology curriculum starts in TK. Beginning in 3rd grade, students learn how to use the Google Classroom platform. With textbooks at home and knowledge of Google Classrooms, the majority of our students were able to continue to learn at home. Navigating through this extraordinary global pandemic was not without many challenges but our students were able to continue with schoolwork quickly and with minimal downtime. It was not the way we envisioned ending the school year, but thanks to our teachers, parents, and students, we continued to be #SITigerStrong.

Just as we learned when we were in our temporary classrooms during construction, it is not the physical structure that is our strength, it is our community and faith that moves us forward.

Supporters of our Annual Fund made all of this possible. Your gifts provided the resources to have a dedicated technology curriculum and staff; as well as, the ability to employ full-time aides in each class.

Right from the start of Distance Learning, faculty and staff embraced the Student Learning Expectations of being Open to Growth and Intelletually Competent by quickly jumping into solution mode with a super positive attitude. They worked as a team.

KATRENA PAINE, VICE PRINCIPAL

NO MATTER THE
distance

Look for God's fingerprints in all that is studied, examined, and reflected upon in life.

MSGR. JOSEPH QUINN

WE ARE *Acadeca*

St. Ignatius's Academic Decathlon team is celebrating another spectacular year representing the school! For the 13th year in a row, the Acadeca Tigers won the Sacramento Diocese competition.

Our state competition looked a bit different this year. To determine winners, scores from the local Diocesan competitions back in March were compared against one another. We are so proud to announce that St. Ignatius placed second overall in the entire state of California. Our team truly lives out the *magis*, 'the more,' and has devoted countless hours to studying, working together to achieve success, and going the extra mile for one another.

1ST PLACE
Sacramento Diocese
13th Year

- ★ Logic & Super Quiz: Aleshanee Santiago
- ★ Logic & Super Quiz: Cooper Zarro

2020 Coaches:

Carlos Contreras, Monica Contreras, Molly Frandrup, Flynn Maloy, Erin McGraw, and Terrie McGraw

WE ARE *Shining Bright*

Many of the St. Ignatius Class of 2020 began their education in the first 4 year old preschool class.

Ten years later, the St. Ignatius Parish Preschool has grown to offer four programs to meet the need in our community.

1. **Pollywogs:** 2 days a week for 3 year olds
2. **Tadpoles:** 3 days a week for 3 year olds
3. **Frogs:** 3 days a week for 4 year olds
4. **Fireflies:** 5 days a week for 4 year olds

The St. Ignatius Parish Preschool is designed to meet the developmental needs of young children. Within this caring, Catholic program children have the opportunity to create and explore with time for solitary play and group activities. They learn problem-solving and personal-interaction skills through firsthand experiences. With a balance of self and teacher-directed activities children develop a positive self-image in a supportive, nurturing, and warm atmosphere.

St. Ignatius Parish Preschool Celebrates 10 years

What does the Lord require? Only to act justly and to love mercy, and to walk humbly with your God.

MICAH 6:8

2019–2020 Champions (JV)

2019–2020 Champions (JV)

WE ARE *Athletes*

Youth sports are an integral part of the total religious and educational program at St. Ignatius School. We offer an extensive extra-curricular athletic program that provides something for everyone. The purpose of our sports program is to foster individual development and teamwork through exercise, leadership, and athletic competition within a Catholic atmosphere.

This year, SI won three PAL Championships: JV Girls Volleyball, JV Boys Basketball, and Varsity Boys Basketball. In addition to these championships, our athletic program accommodates nearly all of the students who wish to participate with our “no cut, no quit” policy. Students gain confidence and strengthen the mind-body connection.

This year's 2020 PAL Championship Varsity Boys Basketball team demonstrated the power of teamwork for the second time in their middle school years at St. Ignatius. In 2018, these same boys won the JV Boys' Basketball PAL Championship. In the two championship seasons, the boys displayed a fair amount of athleticism but were never considered the preseason favorite to win the league.

Their success instead was built on preparation, effort, passion for the game, and most importantly their commitment to a “Team First” mentality. These boys enjoyed playing with each other and for each other, and they were always proud to represent St. Ignatius School on the court. They displayed outstanding sportsmanship in every way.

**I can do things you cannot, you
can do things I cannot; together
we can do great things.**

Help Build Our Soccer Field of Dreams

A new field will offer our community a modern and safe place to play, find God in nature, and enjoy physical activity. It will also be an outdoor venue to gather as a community.

Tiger Field will stand for sportsmanship, commitment, and excellence.

The new field will enhance our Physical Education curriculum. It will also provide a safe place for our students during school recesses, after school play in our Extended Program, and during the many PAL practices including Flag Football and Track & Field. The new field will also extend our community involvement by hosting River City Soccer League Games and practices.

Thank you to the hundreds of alumni, parents, friends, community partners, businesses, faculty, and staff that gave to St. Ignatius Parish School during the 2019 fiscal year (July 1–June 30). These generous supporters make it possible to educate students who are going to set the world on fire.

The Annual Report list represents donors who made gifts through the Annual Fund and Parent Club Sponsorships. We greatly appreciate each gift given in support of St. Ignatius Parish School, and we have made every effort to ensure the accuracy of this listing. If you discover an error, please contact the Office of Advancement at 916-488-3907.

ST. IGNATIUS PARISH SCHOOL MEMORIAL AND TRIBUTE PROGRAM

Contributions in honor or memory of a loved one go directly to the St. Ignatius Scholarship Fund, providing assistance for students. Your gift will be recognized in the Annual Report. Remembrance cards are sent to the family as requested, with no donation amount mentioned. Please complete and return this form to: *St. Ignatius, 3245 Arden Way, Sacramento, CA 95825*

YOUR GIFT *Makes a Difference*

At St. Ignatius Parish School, Students Receive:

Distance Learning

As a result of funding through the Annual Fund, the day COVID sent SI into Distance Learning mode - St. Ignatius School was ready. The seamless transition meant no time was lost and students were able to complete their year on track.

Over the summer, faculty participated in professional development to become more familiar with different platforms or to learn new platforms altogether. In addition, financial investment was made to increase the school's bandwidth, as well as purchase Chrome-books, video cameras, and micro-phones.

S.T.E.A.M.

Science coursework focused on the next generation science standards. Technology education includes topics such as coding, media literacy, and collaboration. Our Art program teaches all aspects of visual art media, drawing, painting and clay sculpting, animation and video projects. Advanced Math and Algebra are available to 7th and 8th graders preparing them to excel in high school.

Support

Teacher's aides in every classroom enable our teachers to focus on providing a first-rate education. In addition, our Resource Teacher provides additional one-on-one or small group support as needed.

Early Education

SI offers TK and Preschool classes for our youngest students where they can play, learn, and grow together. The St. Ignatius Parish early education program is designed to meet the developmental needs of young children. With a balance of self and teacher-directed activities, children develop a positive self-image in a supportive, nurturing, and warm atmosphere.

AMDG

St. Ignatius School students receive an education founded in five core values derived from our mission and philosophy statements and signify what a SI student knows, understands, values and practices. St. Ignatius students are Religious, Loving, Open to Growth, Intellectually Competent, and Committed to Doing Justice.

Exceptional Education

At St. Ignatius Parish School, we take great pride in witnessing our kids continuously meet and exceed the demanding academic standards we set. Our Academic Decathlon team has proven it for the past 13 years, and so do our test scores. This core foundation allows SI students to strongly and consistently outpace other competitive schools in our area.

A Jesuit Education

SI is the ONLY Jesuit elementary school in Sacramento. St. Ignatius Parish School is a faith community grounded on Jesuit principles which cultivates excellence in mind, body, and spirit, sending forth students for and with others
