

# holy MOMENTS

ST. IGNATIUS PARISH SCHOOL

2022-2023 ANNUAL REPORT

## WELCOME TO ST. IGNATIUS PARISH SCHOOL

We are a faith-based community that is grounded in Jesuit principles, cultivates excellence in mind, body and spirit, and sends forth students for and with others.

## OUR Mission

Cobden, Class of 2030)

## HOLY MOMENTS INSPIRE THE S.I. COMMUNITY

During the 2022-23 academic year, every family in the St. Ignatius Parish School community was gifted the book, *Holy Moments* by Matthew Kelly. The book spoke to the Jesuit principles and inspired our school community to find small moments of doing things for others as well as finding God in all things. Here are some examples of Holy Moments:

*Control your temper, even if you are fully justified in losing it.*

*Pray before making a decision.*

*Do something that helps you become a better version of yourself, even when you don't feel like it.*

*Begin each day with a short prayer of gratitude.*

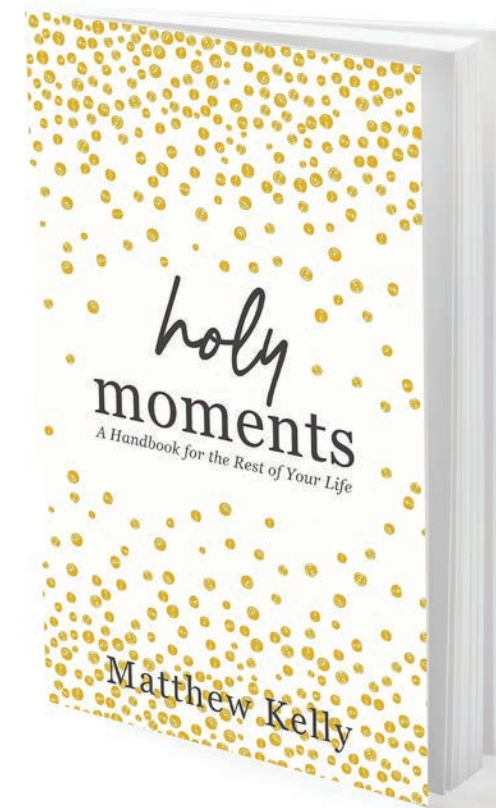

*Write a love letter.*

*Stand up for someone who is being bullied or belittled.*

*Be patient with that person who drives you crazy.*

*Take interest in someone: ask them about the best part of their day, ask them about their dreams.*

*Go out of your way to make the new person feel welcome.*

Excerpts from *Holy Moments*  
by Matthew Kelly

## A Message from OUR PRINCIPAL

### TO OUR ST. IGNATIUS PARISH SCHOOL FAMILY,

The 2022-23 year was a year full of blessings, not the least of which was our community's focus on sharing *Holy Moments* at St. Ignatius Parish School this year.

The idea of Holy Moments came from one of our CSAC members, Michael Fazio, and our Director of Ignatian Formation Angela Olsen. Having read the book *Holy Moments*, they inspired Father Tom and I to gift the book to all our families. While it is an easy read, the depth of this book's meaning stirred my heart. It is about living in the grace of God by giving and recognizing small moments of kindness, gratitude and generosity in our daily lives.

*We are so incredibly lucky because we thrive in a community focused on our children. And very often, the Holy Moments we experience are because of them.*

As an example, I'd like to share ONE Holy Moment that happened to me this year that knocked my socks off and is one I will never forget. It was preschool graduation and the very last student was about to walk across the stage, in a very smart-looking suit, as cute as could be. Instead of reaching out his hand to shake mine (as some kids in the past have done), he gained a bit of momentum and jumped into my arms and gave me the best hug. Wow! A Holy Moment for sure, one I will remember for the rest of my life. This little guy

had no idea how difficult the night before had been with a family member fighting cancer. How much I missed my family back east, how busy things were at work, and me just feeling a bit overwhelmed that day. This 4-year-old little man had no clue what his hug meant to me and how much lighter my step was the rest of the day and, really, the rest of the year because of him. It is many months later and I can still feel that hug.

Holy Moments can provide us with lessons, energy, hope, peace and so much more. I think one of the most important lines in the book is that "the Messiah is among you." He is here with us every day. As a community, we have also leaned on each other this past year, in challenging and joyful times. As a Jesuit school, our entire community is action-oriented based on service. Because of this, Holy Moments are abundant. I hope you realize how many Holy Moments you were a part of this year as you read this annual report and how much your presence and participation made a difference.

With much love and gratitude,

*Patricia Kochis*

**PATRICIA KOCHIS**

Principal, St. Ignatius Parish School

## A Message from OUR PASTOR

### DEAR PARENTS, GRANDPARENTS AND FRIENDS OF ST. IGNATIUS PARISH SCHOOL,

We are happy to provide you with this annual report that chronicles the past year at St. Ignatius Parish School. As we prepare to enter our seventh decade as a parish and school, we want to acknowledge the past, celebrate our present, and live into the future full of hope and energy.

We have received so many blessings. We celebrate our rich heritage of Jesuit education coupled with the long vision of our founders and our "barn families" who, in the early 1950s, envisioned a church and school on an empty lot here on Arden Way.

*We celebrate the long years of growth, the generations of children we've educated and the families served in our parish faith community.*

We rejoice now that we have a beautiful new school that is expertly staffed, safe and designed for 21st century pedagogy, as well as a recently renewed playing field and gymnasium that serve their recreational and sporting needs.

This year we are happy to announce that through the hard work of the parish and school staff and the great generosity of our benefactors, we have embarked on a second phase of our capital campaign entitled, Our Future, Our Faith, Our Time. In doing so, we are continuing to pay down our remaining

construction debt for the new school and parish offices. When our most recent pledges are fully paid, we will have eliminated more than 85 percent (\$10.2 million) of our overall \$12.2 million project costs. Our school and parish remain committed to contribute each year to the paydown as well.

This new campaign needs support from both our parish and school communities, and I am confident that it will be successful. We are committed to this fundraising goal because we need to be free from debt in order to truly thrive. Once our debt obligation has been fulfilled, we will again be able to engage in new projects, initiatives, and hiring for our students' and parishioners' benefit.

I express my gratitude to those who have already made or will make commitments to our campaign as it enters its public phase, as well as for your continuing support for our school through our Annual Fund, Auction, and other activities.

With my very best wishes and thanks,

*Fr. Tom Lucas S.J.*

**FR. TOM LUCAS S.J.**

Pastor, St. Ignatius Loyola Parish

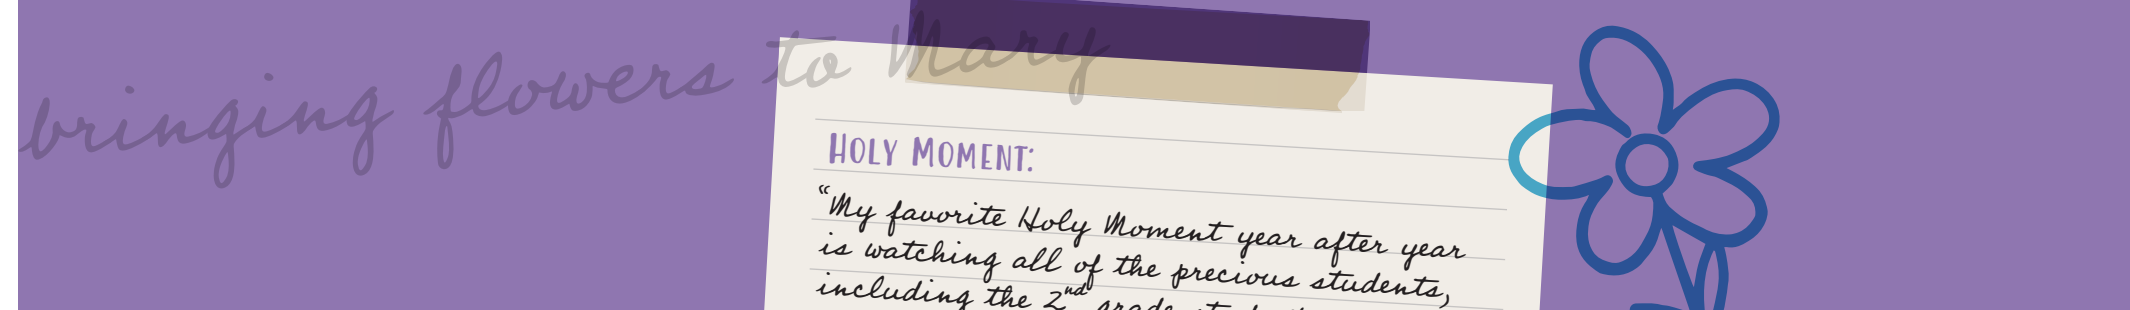

## AN S.I. STUDENT IS RELIGIOUS

- Develops strong moral reasoning skills
- Understands that faith in Jesus calls one to live as a person for others
- Respects other faith traditions
- Reflects on experiences

St. Ignatius Parish School strives to help our students deepen their awareness of their faith and God's blessings in their lives. Students attend a weekly mass with their class, additionally, the S.I. community comes together monthly for the all school masses. From the mass of the Holy Spirit to Ash Wednesday and Baccalaureate, these holy events are filled with opportunities for students to be a special part of the mass from singing in the choir to serving as altar servers, lectors, greeters and more. Typically each class adds their own touch to the school wide Masses. Each class tells a story whether it is with colorful posters or processing in with images of saints.

To kick off Catholic Schools Week after a school family mass, visitors and families were able to see the thousands of holy moments during the school's Open House by exploring science projects, writing assignments, an art show, and supporting the Arrupe Marketplace. The ripple effect of these religious and holy moments were displayed in their class work that supports our students in creating hope-filled futures for themselves and our world.

### HOLY MOMENT:

"My favorite Holy Moment year after year is watching all of the precious students, including the 2<sup>nd</sup> grade students who recently received their First Communion, enter the church bringing flowers to Mary at the May Crowning Mass. It brings me to tears every time."

KELLY SACCANI, S.I. PARENT

## AN S.I. STUDENT IS LOVING

- Shows compassion and consideration towards others
- Cares for God's creation
- Respects oneself and the gifts and talents of others
- Know and accept themselves as being loved by others and being personally known and loved by God

The student-buddy bond is unlike any other. This time honored tradition where lower-grade students are paired with upper-grade students is a special aspect of our community. Older students look forward to serving as role models and loving friends. While younger students enjoy being connected to their older peers. Buddies exchange cards at the holidays, attend masses and enjoy field trips together.

**The 1st and 4th graders** took part in a Holy Moment at the Front Street Animal Shelter this school year. The students donated 200 items to the shelter, wrote persuasive essays that were displayed at the animal shelter to encourage adoption and read hand-selected stories to the dogs. In those moments, the students learned small acts of love are a way to live as men and women for others, including animals.

**Our 2nd and 3rd grade** students lovingly gifted parishioners with ornaments, flowers and valentines as throughout the school year S.I. students attend and share gifts with those in attendance at daily mass.

## Bon Voyage FR. TOM O' NEIL

This year we said goodbye to Fr. Tom O'Neil. After eight years serving St. Ignatius Parish, he will be greatly missed for his constant reminders of God's love. A special holy moment for many students was visiting the tree set up in the parish office that contains a collection of saints made of bread dough by Fr. Tom O'Neil. During the weeks leading to Christmas classes visited and learned about the many saints represented.

*"We are all loved just the way we are. That we are filled with beauty, peace, and love."*

FR. TOM O' NEIL, S.J.

## HOLY MOMENT:

*"Coffee & Community emerged as an unexpected blessing filled with holy moments this year. It provided a new and rich meeting ground for the S.I. school and parish community to grow relationships with one another and move forward together in common love of school and church."*

MICHELLE WYATT, S.I. PARENT

## HOLY MOMENT:

*"As the older buddy, I have learned to be more compassionate and loving to our younger students and I am always trying to be a good role model for them."*

ALLI M., S.I. STUDENT, CLASS OF 2024

## AN S.I. STUDENT IS OPEN TO GROWTH

- Listens and considers others' points of views
- Perseveres and self-advocates
- Seeks opportunities to develop their own mind, body, imagination, feelings, and religious consciousness

HOLY MOMENT:

At St. Ignatius Parish School we acknowledge that sometimes the most lasting, and often most rewarding, learning experiences occur when a student steps outside their comfort zone and perseveres. That is why we create a school culture that embraces and celebrates our students' efforts to try something new.

In the classroom, teachers and peers alike can award students with specially marked stickers that recognize and reward a person when they learned something new, embraced feedback or persevered through a challenge.

Our students have the opportunity to participate in numerous clubs through which they can learn everything from how to play chess to how to be a surgeon. Additionally, all our athletics teams have a no-cut, no-quit policy. Many times our students try sports for the first time while at St. Ignatius and very often they thrive, as shown by our many championship titles. We attribute this success to the culture of love and acceptance that abounds at St. Ignatius Parish School.

*"Unfortunately, most competitive youth sport programs have stripped the fun out of the game. PAL sports allows every kid the opportunity to participate in competition, see growth in themselves, support their teammates — all while having fun."*

TROY ROWSEY, S.I. PARENT, COACH, ATHLETIC COMMITTEE

## Meet DAN PETERSON

Dan Peterson became the new Physical Education and Health teacher at St. Ignatius during the 2022-23 school year. Peterson grew up in Arden Park and graduated from Jesuit High School. He then moved to Lincoln, Nebraska to play football for Wesleyan University. He graduated from California State University, Sacramento with a degree in liberal sciences and worked in special education.

Peterson teaches P.E. using an evidence-based model, strengthening each student's mind, body and spirit, all while embracing the Ignatian values of cura personalis. Last year, each grade improved their physical fitness and participated in numerous new sports, games, and health activities.

## HOLY MOMENT:

*"At St. Ignatius our children are given a platform to step outside of their comfort zones and experience new adventures. I witnessed this through my daughters' participation in the Missoula Children's Theatre Program. It was incredible to see their courage in auditioning, memorizing their lines, and confidently performing in front of a live audience in just one week."*

ERIN WILGUS, S.I. PARENT

## \* PAL CHAMPIONSHIPS

- Golf
- Varsity Boys Volleyball - Silver Division
- Varsity Girls Volleyball - Gold Division
- Varsity Girls Volleyball - Silver Division

## AN S.I. STUDENT IS INTELLECTUALLY COMPETENT

- Thinks logically, critically, and creatively
- Communicates effectively in speech, writing, and problem solving
- Acts with integrity and takes ownership of their learning
- Have the knowledge, awareness, critical thinking skills, and intellectual integrity to succeed in high school

The principles that have characterized Jesuit education for hundreds of years are central to St. Ignatius Parish School's mission. Drawing from this tradition, we strive to foster an environment where students can develop their unique gifts and insights through reflection and intellectual inquiry. Through classwork, field trips, guest speakers, in-class presentations and more, these opportunities enable students to cultivate inquiring minds. Holy Moments that promote intellectual competency presented themselves in many ways as seen in the following examples.

- **4th graders** traveled back in time at the Effie Yeaw Nature Center, where they learned about how the Nisenan Maidu people lived in harmony with their environment.
- **Lower grade science** class had a visit from the Clark Bug Zoo, where fun facts were shared and they had a chance to observe bugs up close.
- **7th grade** students participated in the Nature Bridge program at the Marin Headlands. This experience enabled students to build meaningful relationships and discover a caring relationship with the natural world.
- **2nd graders** researched an animal and then presented information to their families.

## HOLY MOMENT:

*"With rollercoasters, students had the opportunity to engage with the fundamental laws of physics. Each team devised a blueprint of their project, created the roller coaster, and as they engineered the coaster, they tested stability and the performance, tweaking aspects as they went along. As a conclusion, they articulated how their rollercoasters demonstrated potential and kinetic energy as well as Newton's laws of physics."*

SERENA CARLETON, S.I. FACULTY

demonstrated potential and kinetic ene

## Acadeca TEAM 2023

St. Ignatius's Academic Decathlon team is celebrating another amazing year representing the school. For the 16th year in a row, the Acadeca Tigers won the Sacramento Diocese competition and went on to represent the Diocese at the national competition.

### Competing against 21 schools, the St. Ignatius Academic Decathlon team placed:

- 1st Place – Overall
- 2nd Place – Logic
- 2nd Place – Super Quiz

## Thank you!

**Academic Advisor:** David Hills

**Coaches:** Anna Marie Stouder and Stephanie Edgett '91

**Logic Advisors:** Irene Cretu '21 and Aleshanee Santiago '21

### Acadeca 2023 Team and Individual Awards:

Current Events – Triune Cantoneros (8th)

- 1st Place (Nationals)
- 2nd Place (Diocese)

English – Emma White (6th)

Fine Arts – Elise White (6th)

Literature – Alyssa Ahmad (7th)

- 3rd Place (Diocese)

Math – Owen Hartono (8th)

Religion – Jack Stouder (7th)

- 2nd Place (Diocese)

Science – Connor Edgett (8th)

- 1st Place (Nationals)
- 2nd Place (Diocese)

Social Studies – Rachael Lee (8th)

Logis and Super Quiz Members

- Elizabeth Bettar (6th)
- Patricia Ong (7th)

A special thank you to our head coach, Mr. Hill, and our many parent coaches for leading our students. Congratulations to everyone for your hard work and dedication!

## AN S.I. STUDENT IS COMMITTED TO JUSTICE

- Strives to be a person for and with others
- Sees the need for justice and action
- Identifies personal prejudices and works to embrace others
- Grows to understand injustice and its sources in the world
- Makes an active commitment toward fostering a just society

Rooted in our Jesuit tradition, St. Ignatius Parish school is committed to ensuring our students become young men and women for others. What this means is that we have a fervent commitment to doing justice. Holy Moments that promote justice can manifest themselves in many different ways. They can be standing up to a bully, inviting someone who is by themselves to play or sit with you at lunch, helping the less fortunate, or doing your part to promote the good you see in others.

Here are some examples of how our school community demonstrated their commitment to doing justice during the 2022-23 academic year:

- **8th grade class**, "Promoters of Peace," raised more than \$20,000 for 33 nonprofit organizations as part of their Arrupe Projects. These annual service projects, named after the influential Jesuit, Fr. Pedro Arrupe, aim to empower our 8th grade students to become men and women for others through faith, service, and justice. Through these projects, students "pay it forward" by becoming engaged in responding to social injustice in addition to raising awareness about and funds for various nonprofit organizations throughout our region, nation and world.
- **S.I. alumna** Hannah Stouder '21 created "Hannah's Care Closet." This drive provides hygiene items to help unhoused students and families in the Oak Park area.

### HOLY MOMENT:

"Hannah's efforts provided our students and families a few minutes of great conversation on how each of them can make a difference while bringing the Corporal Works of Mercy into action. We are incredibly proud of Hannah and her commitment to service, and also for being a Woman for Others."

DEB RUSSELL, S.I. DIRECTOR OF DEVELOPMENT AND ALUMNI RELATIONS

- **S.I. alumnus** Amobi Okugo '05 was recognized as Forbes 30 under 30 for achievements on and off the field. Okugo is a first generation Nigerian American, professional soccer player, founder of Frugal Athlete, and philanthropist launching the Ok U Go Foundation.

- **The S.I. community** collected thousands of nonperishable food items to help fill the shelves of food banks in our area, offered weekly meals to those suffering from food insecurity, and sponsored numerous families during the holidays providing clothing, toys and household items to the less fortunate.

### \* HOLY MOMENT:

"I got such a feeling of satisfaction from doing the Arrupe Project knowing the amount of money I raised for my nonprofit really helped them and knowing that I made a difference."

WILL COLWELL, S.I. STUDENT, CLASS OF 2023

## Grandparents CLUB

St. Ignatius is fortunate to have the loving support of the Grandparents Club. This group provides grandparents and special friends of St. Ignatius Parish School with an opportunity to engage within the S.I. community and form friendships with each other.

During the 2022-23 school year the group was very active in attending all-school masses, listening to 8th graders Arrupe projects, and volunteering at the school. Throughout the school year Holy Moments are also seen as fellow parents, grandparents, and parishioners gathered together for the new tradition of Coffee & Community hosted by the Parent Club and Grandparents Club before all-school masses.

## Class of 2022-2023 HONORS

### Valedictorians

Triune Cantoneros Greta Inderbitzen

THANK YOU

Thank you to the hundreds of alumni, parents, friends, community partners, businesses, faculty and grandparents that gave to St. Ignatius Parish School during the 2022 fiscal year (July 1-June 30). These generous supporters make it possible to educate students who are going to set the world on fire.

The Annual Report listing represents donors who made gifts to the Annual Fund and Parent Club Sponsorships. We greatly appreciate each gift given in support of St. Ignatius Parish School.

Stephanie Manuel '93

**Member-at-Large:**  
Mark Ito & Troy Rowsey

**Volunteer Coordinator:**  
Michael Rosales

Lord Jesus, teach me to be generous,  
Teach me to serve as you deserve,  
To give and not to count the cost,  
To fight and not to heed the wounds,  
To labor and not to seek to rest,  
To give of myself and not ask for reward,  
Except for the reward of knowing  
that I am doing your will.  
St. Ignatius of Loyola, pray for us.

Amen  
ST. IGNATIUS OF LOYOLA
