

The St. Ignatius Soccer Club Board is excited to announce that UK International Camps are coming to St. Ignatius Soccer Club!!

UK Internationals objective is to create the optimal environment in your own community in which children can learn and develop under the guidance of our 'ultimate soccer educators'.

Coaches, primarily from Great Britain, are selected not only for their knowledge and their coaching ability, but also for their commitment to creating a fun, positive learning environment for the players. The result is a soccer camp experience players will remember for a lifetime.

All camp sessions are based on individual attention to ball skills, as well as fun games to put those skills into practice and develop teamwork. Players are encouraged to express themselves in order to develop confidence and individual creativity on the field.

August 4 - August 8 - (St. Ignatius Soccer Fields)
