

ST IGNATIUS LUNCH PROGRAM - 2023/ 24

Welcome to the new school year and with that a new way to place your kids' lunch orders.

We have partnered with **SchoolBitez**, an online lunch ordering platform, to help parents place their lunch orders using a website and a Mobile App.

Please follow the instructions below to get started: -

- 1) Visit <https://stignatius.schoolbitez.com>, our Parent Portal Website, where parents can register, manage child accounts, place and manage orders.

Create new Account

- 2) Since this is a new platform, you will need to register a new account and set up your child accounts.
- 3) You can also download SchoolBitez Apple IOS and Android Mobile Apps by scanning the QR code on the Parent portal website.

- 4) SchoolBitez has a nice introductory video tutorial to help Parents get familiar with the new platform. Please click on the Watch Tutorial Video link on the web page at <https://stignatius.schoolbitez.com>.
- 5) Setup your new account, add your Child Accounts and place orders using the Parent Portal or the Mobile App.
- 6) You will need to enter the school code **SIS-IGN** when you first use the SchoolBitez **Mobile App**, as shown below.

If you have any technical issues with using the Parent Portal Website or the Mobile App, you can contact SchoolBitez at support@schoolbitez.com.
For all non-technical issues please contact kflatland@stignatiussacschool.org.
