

# Together we will build our dream

## Are we THERE Yet?

### WE ARE ALMOST THERE!

Daily we are closing in on our \$5.5 million loan trigger

### Over the past 6 weeks we raised over \$550,000!

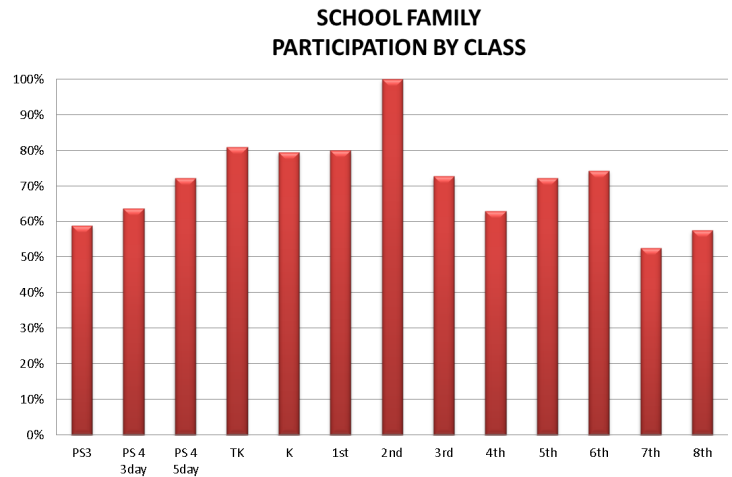

Including all pledge cards, verbal pledges and outstanding pledges we are now at \$4,421,509 or **80%** of trigger amount.

We continue to meet with foundations as well as individual donors outside the Parish and the School.

We want to be sure we talk with everyone about the new school. If we haven't chatted yet, we will be calling you.

### IT IS CRITICAL THAT WE ARE "ALL IN"

School participation is at 68%

When applying for grants or approaching foundations **100% looks a whole lot better than 68%**

Our goal is to meet our summer start timeline

### You can help make this happen

The \$5.5 million trigger will allow us to start construction; it's that simple
