Let's Find Out®

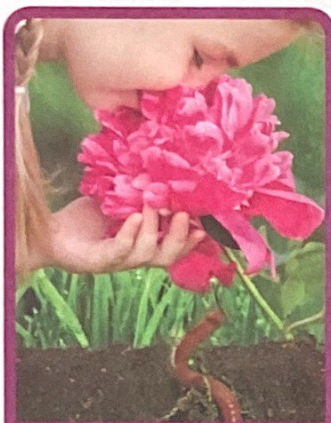

My Weekly Reader®

If You See
a Spring Flower . . .

You might bend down to sniff it.

My name _____

If you bend down to sniff the flower, you might see a **worm** on the ground.

If a worm is on the ground, a **bird** might hop over and snatch it up.

If a bird snatches up the worm, it might fly to its **nest** and feed its chicks.

If you look up to see it feed its chicks, you might see more spring flowers!

BIG WORD bloom

In spring, flowers **bloom**. That means they grow and open up. Here are some of the first flowers to bloom in spring.

daffodil

crocus

tulip

Oh!
I hear my chicks
peeping! They must be
hungry. Can you peep
like chicks?
